April 17, 2023, 12:00 p.m.

Monona Terrace

Expected Attendance: 600

Emily St. John Mandel's *Sea of Tranquility* is a novel of art, time, love, and plague that takes the reader from Vancouver Island in 1912 to a dark colony on the moon 500 years later, unfurling a story of humanity across centuries and space. Her five previous novels include *The Glass Hotel* and *Station Eleven*, which is the basis for the HBO Max series by the same name.

Madison Public Library Foundation's annual *Lunch for Libraries* fundraiser is an opportunity for community members who are committed to our libraries to come together to celebrate, support and invest in the Wisconsin Book Festival and youth literacy efforts at the library.
